## MESSAGE FROM HEAD OF SCHOOL

---

Dear Parents, Carers and Students,

The Summer term is progressing well. Our Year 11 students are working well, sitting their GSCE examinations and attending targeted intervention sessions.

We were pleased with our 'Preparing for Opportunities', PFO Day, in which the Year 11's all worked well. This event gave the students the opportunity to apply specific jobs and sit a mock interview.

Looking ahead to the remainder of the Summer term, we have work experience for our Year 10 students. Working with Work Experience Partners students are going out on work experience on Monday 10<sup>th</sup> – Friday 14<sup>th</sup> June.

Another event we are very much looking forward to is our Sports Day, taking place on Monday 8<sup>th</sup> July.

Warm Regards,

Dr Mike Jarrett  
Head of School

## PREPARING FOR OPPORTUNITIES DAY

Our 'Preparing for Opportunities Day' was a great success for our Year 11 students.

Students received a variety of job advertisements and were asked to select one and complete an application form. All students were assigned a member of staff to help support them with this process.

On the day itself, students dressed in appropriate interview attire and attend an interview for the job they had applied for.

This interview experience really is a great opportunity so students, giving them some valuable insight into what to expect when they have to attend interviews in the future.
